Application No. 09/349,194

**ORDER RETURNING UNDOCKETED APPEAL TO EXAMINER**

This application was electronically received at the Board of Patent Appeals and Interferences on March 26, 2004. A review of the application has revealed that the application is not ready for docketing as an appeal. Accordingly, the application is herewith being returned to the examiner. The matters requiring attention prior to docketing are identified below.

A Request for Oral Hearing was received January 16, 2004. However, it does not appear that the fee has been applied.

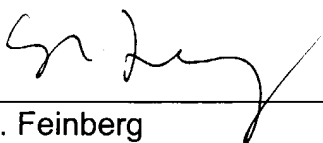

Accordingly, it is

**ORDERED** that the application is returned to the Examiner for resolution of the above matter, and for such further action as may be appropriate.

Application No. 09/349,194

It is important that the Board of Patent Appeals and Interferences be informed promptly of any action affecting the appeal (i.e., abandonment, issue, reopening prosecution).
